TOWN OF ENFIELD

FOR THE

Year Ending, February 15, 1913

ENFIELD, N. H.
ADVOCATE BOOK AND JOB PRINT
1913

Warrant for Annual Meeting

[L. S.] To the inhabitants of the Town of Enfield, N. H., County of Grafton in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town House in said Enfield on Tuesday, the Eleventh day of March next, at nine o'clock in the forenoon, to act on the following subjects:

1. To choose by ballot and major vote a Town Clerk, three Selectmen, Treasurer, Overseer of the Poor, one Library Trustee for three years, one or more (not exceeding three) Highway Agents.
2. To choose all other officers and agents as the town may judge necessary to be chosen.
3. To see how much money the town will vote to raise to defray town charges for the ensuing year.
4. To see how much money the town will vote to raise for the support of highways for the ensuing year.
5. To see if the town will take any action in regard to delivery of blank inventories.
6. To see if the town will appropriate a sum not exceeding fifty dollars for the proper observance of Memorial Day.
7. To see how much money the town will vote to raise for the repair of Shaker Bridge.
8. To see how much money the town will vote to raise for maintaining street lightning by electricity for the ensuing year.
9. To see what action the town will take in regard to the collection of taxes for the ensuing year.
10. To see if the town will vote to ratify the contract made by the Selectmen to exempt town notes at 4 per cent. from taxation.
11. To see if the town will vote to authorize the Selectmen to invest the cemetery bequests in Savings Banks that is now in town treasury.
12. Pursuant to an application in writing by ten or

more legal voters of said town to see if the town will vote to elect a police officer or officers for the ensuing year, and to see how much money the town will vote to raise to pay a police officer or police officers for the ensuing year.

13. Pursuant to an application in writing by ten or more legal voters of said town, to see if the town will vote to abolish the present Road agent system and substitute therefor highway surveyors appointed by the selectmen.

14. Pursuant to an application in writing by ten or more legal voters of said town to see if the town will vote to establish a Liquor agency as provided by the laws of the State and authorize the Selectmen to appoint a liquor agent to manage the same, and take any other action necessary to legalize the same.

15. Pursuant to an application in writing by ten or more legal voters of said town to see if town will vote to increase the pay of the fireman from five dollars per year to ten dollars per year each.

16. To see if the town will vote to raise and appropriate the amount necessary to secure State aid for the permanent improvement of highways, under the law passed at January Session, 1905.

17. To see how much money the town will vote to raise for support of the public library for the ensuing year.

18. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass any vote relating thereto, and transact any other business that may legally come before said meeting.

Given under our hands and seal this 22d day of February, 1913.

WILLIAM F. HAWLFY,
ALLFN L. PIERCE,
STEPHEN LAFFEE,
Selectmen of Enfield.

Number of books in library,	400
" cards issued,	10
" books given out,	170

Respectfully submitted,

MRS. E. J. GOSS, Librarian.

TRUSTEE'S REPORT

In presenting our annual report of the Free Public Library, we are glad that the conditions and standing of the library are as good as they are.

While a few less cards have been issued, the number of books taken out is quite a little larger than last year.

We would call attention to the fact that the library is free to every citizen of the town on the same conditions.

We would remind all our summer residents, that the same liberal terms will be continued as heretofore.

We mentioned in last year's report, that we have a large and choice selection of Standard history, biography and fiction.

A few more books have been purchased, donated, etc., than last year.

We thank all the donors and hope others may do likewise.

We trust the voters will continue to be liberal in their support, that the library may live and grow in the future.

ELLA M. PATTEE,
HENRY CUMINGS,
ELMER E. JONES,
Library Trustees.

VAL M. CLOUGH,
VAL M. HARDY,
Auditors.

REPORT OF Superintendent of Schools

Commendable gains have been made by the schools during the past year. There have been no changes in the program of studies, the aim being to make the teaching of each more efficient from year to year. The results secured in arithmetic, reading, and penmanship in particular have been very gratifying, for the pupils, as well as the teachers and parents, we know, see that there has been a marked improvement in the work in each of these subjects.

Excellent work, too, has been done in the High School, the school being re-approved for the present year without any criticism by the State Superintendent of Schools. The attendance in this school has come up to our expectations this year, and promises to equal or exceed forty (40) pupils in number next year. The Commercial course apparently meets a local demand, as ten (10) pupils are now taking the course in whole or part. We believe that this course affords excellent training. We would call your attention to the report of Principal Herbert W. Pickup, which gives additional information regarding the High School.

As stated in our last report, the per cent. of attendance for the year ending July 15, 1911, was below ninety (90) per cent., the average for the State. We are pleased to report that the per cent. of regularity of at-

tendance of our pupils for the past year has been two (2) per cent. above the average for the State. In making this gain we have increased our standing over thirty-eight (38) towns or districts in one year, having now a per cent. higher than one hundred forty-three (143) towns or districts in the State. With the same membership for the two years we have reduced the average absence from twenty-two (22) to seventeen (17) pupils. Measuring in dollars and cents this gain of five (5) pupils means a saving of one hundred fifty (150) dollars, as that represents the average cost of educating five (5) pupils for one year in this State. But the gain is greater than that, for the progress of the other pupils has been materially increased by the more regular attendance of all of the pupils.

In conclusion, I desire to express my thanks to the members of the School board, the teachers, the pupils, and the parents and citizens for their hearty co-operation.

Respectfully submitted,

THOS. A. ROBERTS,
Superintendent.

REPORT
OF THE
Principal of the High School

To Mr. Thomas A. Roberts, Superintendent of Schools:
I herewith submit the annual report of the High School for the year 1912.

The total enrollment for the years 1911 and 1912 and the membership by classes was as follows:

	1911	1912
First Year (entering class)	13	13
Second Year,	6	10
Third Year,	3	7
Fourth Year,	4	3
Specials		5
<hr/> Total,	26	38

It is interesting to note from the above table an increase of nearly fifty per cent. in membership in 1912 over the preceding year. Considering the fact that during this period of time there has been practically no increase in the population of the town, these figures show a decided change in the attitude of the people toward the High School. This is due to various causes, and is a very general condition in the country at large. Among these reasons, perhaps the most potent is the opportunity now given to pupils to study so-called "business courses," in which both parents and children recognize something that seems to offer a tangible return for time, energy and money expended.

At the opening of the Fall term the seating capacity was inadequate to accommodate the increase in membership. This required the equipment of another recitation room, and the removal of the commercial department to a room in Copeland block, which has proved a great inconvenience to the teacher and students in that department. The lack of a suitable laboratory has also seriously hampered the work in physics. In addition to this, courses in music and drawing should be given a place in our program. The value of these subjects, from an educational point of view, cannot be overestimated.

Should the membership continue to increase, and should new subjects be added to the curricula, it will be necessary very soon to add to the rooms now available for the use of the High school.

At the close of the fall term of the current year the attendance was 96 per cent. of the average membership, an increase of 3 per cent. over last year. In order to maintain this comparatively high attendance two things are necessary. First, the co-operation of parents is needed in the effort to keep pupils in school. Second, teachers should not lose sight of the fact that it is their duty to make school work attractive. It is a well-known fact that pupils learn most readily when their attention is fixed on the lesson. Undivided interest and good progress go hand in hand with regular attendance at school.

The organization of an Athletic association for the purpose of promoting the social welfare of the school has met with a pleasing response on the part of the pupils. In consideration of the scholastic; the social side of school life must not be overlooked.

In conclusion, permit me to say, that in dealing with the discipline of the school it has been my constant aim to instill in the minds of the pupils such a spirit, as will cause a sense of honor, truth, and seri-

ousness of purpose to pervade all their future activities.

I wish, at this time, to express my thanks to the parents, teachers, School board and to you, sir, for earnest support and helpful assistance.

Respectfully submitted,

HERBERT W. PICKUP,
Principal.

A STATEMENT

By the Chairman of the School Board.

As chairman of the Board of Education in Enfield, I have been in close touch with the schools of the village, and consequently am in a position to say to the children's parents in particular, and to the taxpayers in general, we have reason to be proud of our schools as they are now conducted. The teachers' of the grades are doing excellent work.

In the High school as good instruction is given as in larger schools elsewhere. Each pupil gets more attention than is possible in a large school. Parents who are sending their children out of town to a High school are making an expensive mistake. This I learned by experience. Parents in surrounding towns who are obliged to send their boys and girls away to a High school will find it to their advantage to send them to Enfield.

According to the reports of the other members of the School Board good work is being done in the outside schools, and full value is being received for every dollar paid out for school purposes. Our slogan is: "Nothing but the best."

Respectfully submitted,

REV. MARK TISDALE.

Respectfully submitted,

WILLIAM E. LARKIN,
Treasurer.

Enfield, N. H., March 1, 1913.

We, the undersigned, auditors of the Town School District, have this day examined the accounts of William E. Larkin, Treasurer, and we find them correctly cost and properly vouched for.

HERBERT E. WALBRIDGE,
W. A. WILMOT,
Auditors.
